International Headquarters & Teaching Website

From the South (Tulsa):

Take US-75 North toward Bartlesville to the Highway 20 exit (OK-20 Skiatook/Collinsville).

Turn Left (West) onto OK 20 West

From the North (Kansas):

From Bartlesville take US-75 South toward Tulsa to the Highway 20 exit (OK-20 Skiatook/Collinsville).

Turn Right (West) onto OK 20 West

Remain on OK 20 West (E 146th St N) through the town of Skiatook (approximately six (6) stoplights). About 1 mile past the last stoplight is a flashing yellow light at the intersection of OK 20 and N 52nd West Ave.

Turn right onto N. 52nd West Ave and proceed (North) from this intersection. As you travel, N. 52nd West Ave will be renamed Javine Hill Road.

At approximately 3.3 miles you may see the blue mailbox with the Yarnell logo on the west side of the road. A street sign for Diamond Oak Drive will be northwest behind the mailbox. Turn left (West) onto Diamond Oak Drive (a gravel road) and follow the drive as it curves past a white house. You will drive underneath a huge "Welcome to the Yarnell School of Art" sign.

The Yarnell Studio is a two-story ranch-style barn and you will be approaching the building from the back. Parking is on the South and East sides of the Studio. A ramp near the pond will lead to the front door.

For those of you with GPS-equipped vehicles, note that many students have been lost when relying solely on GPS to find the Studio. Please do print and have a copy of this map handy as you approach Skiatook.
