

## **Open Workshop** **By Jerry Yarnell, World Renowned, Professional Artist**

**Location and Date:** **May 30-31, 2012 (Wednesday & Thursday)**

### **Workshop Location:**

Days Inn Scottsdale Fashion Square  
4710 N. Scottsdale Rd  
Scottsdale, AZ 85251  
Phone: 480-947-5411

**Cost for 2-day Workshop:** \$395.00 per person (no 1-day spots available)

**Class Time:** The Workshop Room opens at 8:00 a.m. for set-up. Jerry begins class at 9 a.m. (Lunch 11:30 – 12:30); class ends at approximately 3 p.m.

**Subject:** Jerry Yarnell “Open” Workshop. Back by popular demand! We tested the “open workshop” concept last year in Scottsdale and you asked us to bring these back again in 2012!

**What you will learn:** The format of this class will be similar to Jerry’s “open” workshops which he conducts regularly at his studio. In this class, students have the opportunity over the 2 days to paint the subject of their choice. This means if you are struggling with a painting at home or one you’ve attempted in the past, now’s your chance to bring it to class where Jerry will help you. The beauty of this workshop setting is that the subject is **YOUR CHOICE**. In the event you aren’t sure what you want to paint over those two days, Jerry can help you decide on a subject as well.

Open classes are designed to give you individual attention on projects that you have started at home. These are generally smaller classes than Jerry’s National workshops and allow a more customized focus on student’s work. Jerry rotates from one student’s easel to the next -- all day -- coaching and teaching each student individually based on his/her unique skill level. These classes are a blast!

**Collection of Fees:** If you plan to attend the workshop, return your application (page 4 of this document) and deposit of \$100.00. **Because of the individual attention Jerry**

**Art Supplies Needed:** First, a word of advice from Jerry: *Fine Art techniques require Fine Art tools.* Often students appear at our classes with substandard quality supplies because they've selected last-minute items with little to no guidance from the retailer who sold them art supplies. Then once in our workshops, students encounter difficulty in achieving Jerry's techniques using some of these same retailer brushes and supplies. If you know Jerry, you know that he will **never** sell you a brush or an art product unless he really feels you need the item in order to improve your skill level and technique. Now, having said that:

You will receive a confirmation letter with supply list along with a map to the workshop location at least one month before the workshop date. You must furnish your own supplies – however – for your convenience and to ensure you have the appropriate quality – **an extensive collection of brushes, paints, canvases, books, and art supplies will be available for purchase at the workshop.** You must provide your own easel (floor or table) and an **18x24** canvas. Canvases will be available for purchase at the class.

Jerry prefers working in acrylics. However, if you prefer working with oils, use water-miscible oils. Jerry and others are allergic to traditional oils.

The Yarnell Studio & School of Fine Art has a *full art supply store* available to you – at our Studio, in our on-site workshops, and also in our online store at [www.yarnellschool.com](http://www.yarnellschool.com). Jerry will have his new Dynasty Brush Sets available that he has tested and endorsed. As well, Jerry has just taped 104 weeks of new TV shows "Paint This With Jerry Yarnell," he has developed a Ministry Series "God is the Master
